

ARMES is a group of the most-experienced sales agents and the best designers, engineers, and technicians who are working together to make a difference in quality of the products.

We are updated with market trends offering top quality products with a wide range of sizes/colors and designs.

We daily work to cover the customer's needs; and look for mutual benefits, and customer's satisfaction.

We mainly produce our tiles in the factories of the Fakhar Group, Alvand, Apadana Ceram, Nano Ceramic & Novin Ceram and take advantage of several warehouses all around the country.
